

## PROFILE

Dr. Ellen serves women and the local church through teaching, writing, and discipleship grounded in the sufficiency of Scripture. With more than 30 years of ministry experience, she is the Founder and President of Real Life Women's Ministry and the Co-Founder and Vice President of the Expository Counseling Training Center, where she equips women to grow in Christ through biblical counseling and woman-to-woman discipleship.

She has taught nationally and internationally, bringing clarity, compassion, and biblical insight to the everyday struggle's women face. Her ministry emphasizes heart transformation through God's Word, helping women respond to life's challenges with repentance, obedience, and enduring hope in Christ.

She is the author of *Grace in the Mourning* and its companion *Deeper Reflection Workbook*, helping women think biblically about suffering and walk faithfully with Christ in every season.
